QUICK PAIRING

First Step

Open the charging case cover, take out L/R earbuds and wear L/R properly. You will hear "di" prompt sound in 1-3 seconds, indicating that the L/R earbuds have paired successfully.

Second Step

Open mobile phone's bluetooth setting and search "SD-W18" from the Bluetooth menu of mobile phone to connect pairing successfully.
Note: the earbuds will connect to the last paired device automatically when they are turned on again next time.

Touch Control

Charging Instruction

1. Charge the Earbuds

Open the charging case cover, place the R earphone in, and if placed correctly, the charging case indicator light will illuminate. Then, place the L earphone in, and if placed correctly, the charging case indicator light will also illuminate. When the earphones are fully charged, the indicator light will turn off.

2. Charge the Charging Case

The charging case indicator light flashes, indicating low power. Please make sure to use safety standard 5V/1A power adapter to charge the earphone. During charging, the indicator light is breathing on and then long-on after fully charged.
